The Commander's Corner

At the May 2018 membership meeting, there was a call for Officer and Board of Director nominations from the floor. None were received, with the exception of John Sinclair being nominated for Post Historian. Thank you John for stepping up to run for historian. At the upcoming 19 June membership meeting, elections for the 2018/2019 officers and Board of Directors will be held. The slate of candidates for the 2018/2019 year are: Commander - Claude Davenport; 1st Vice Commander - Mike Freeman; 2nd Vice Commander - Brent Carter; Service Officer - John Bush; Chaplin - Steve McLeod; Finance Officer – Cindy Carter; Judge Advocate – Jonathan Lienhard; Historian – John Sinclair, and Sergeant at Arms – Mike Hays. Newly elected officers will be installed at the July membership meeting.

The Post will have a booth in the upcoming Town of Warrenton's "First Fridays". This is an awesome experience and if you want to help out, just let us know, would love to have you.

The property development project continues to move forward. The property lines have been marked so we can make adjustments to the fence lines, one shed and the horseshoe pits. We are still expecting the official start of "breaking ground" in August. We are moving forward as rapidly as possible. As always, I will keep everyone updated as additional information is received.

The House Committee has done a stellar job prioritizing an extensive list of projects to be completed around the Post. As work parties will be formed, and volunteers will be needed. We will send out emails and hope you will find a few hours to help out with some of the projects.

My heartfelt thanks to the Post 72 volunteers who put in their time to help out around the post. Their contributions ensure that our Post home remains open for everyone to enjoy.

I invite all Post 72 Legionnaires to attend the monthly business meetings. It is imperative that we conduct our regular business and address any ideas; suggestions or concerns to help our Post and organization perform better.

We would like to thank the Walking Marine, Terry Sharpe for stopping by Post 72 and having dinner with us and meeting many of the members of the various Veterans groups. Terry had brief conversations with many of us, and we enjoyed his speech about many health issues confronting our Veterans.

Thanks to Daryl Lee, Clint, John Andrews, Jules, Mike Crockett, and Legionnaire Brian O'Loughlin for stepping in and cooking for our breakfast. We hope to see many of our members and friends for our June breakfast, which will also be on Father's Day. Legion Riders News

Motors rumbling, Kick stands up, hit it! Legion Riders hit the ground running in May taking advantage of some unseasonably weather to hit the Virginia byways and carry the Legion Message throughout the community. This month, several riders and their caged cousins took to the streets and schools of Fauquier County to visit local schools to pick up handmade "Thank You" made by local school children. The Thank You Card program, now in its sixth highly successful year, has connected local students with service members serving around the world and veterans continuing to serve America here at home. By collecting and mailing more than 10,000 handmade cards designed to show our brave service members that the families in the Commonwealth appreciate their service and are grateful for their sacrifice.

At the end of May, several riders paused to show respect for the men and women who gave the ultimate sacrifice to keep American free by participating in the 2018 Warrenton Memorial Day Parade. The rider contingent was well received as always by the community and provided a lasting symbol of respect and honor for the fallen warriors.

Finally, as millions of motorcycles hit the roads this riding season, ALR wishes to remind everyone to be watchful for a dramatic increase in the number of motorcycles on the roads of

Virginia. As the summer heats up and the traffic snarls up around DC, the patience you show will make sure we can all continue to serve the community.

Social Quarters / House Committee

April 2018 was an exceptionally. Your social quarters continues to grow and improve our service offerings to provide the best benefit to our members and guests. May 2018 was a banner month for the social quarters as we rolled out new offerings, extended some of our service hours, and marked two high profile events with special meal services. In addition to our many lunch specials each month, we added a Buffalo Wing Tuesday special with many different flavors and dipping sauces at an incredibly low price of \$.50 a wing. Nothing like an ice-cold beer or glass of tea and a plate of hot wings to make your Tuesday night hop at the Legion. Twice during the month, we served up an all you can eat taco bar that proved to be a huge success with patrons – look for this to return as we start to explore extended evening hours for our members.

This month we were also honored with the opportunity of hosting two very special events: Dinner with "The Walking Marine" (www.walkingmarine.com) and our traditional Fried Chicken and Baked Ham Dinner for the City of Warrenton's Memorial Day Ceremony and Parade. The Walking Marine event gave members and guest an opportunity to meet and speak with Terry Sharpe and learn about his cause to promote awareness of veteran's issues through his annual walk from North Carolina to the Washington DC coinciding with the Rolling Thunder event. With this year's awareness subject involving veteran suicide prevention(www.22untilnone.org), we can think of no better way to achieve Legion impact in the community than by affiliating ourselves with such a critical issue. At the end of the month,

we were pleased to again have the opportunity to serve our community by offering a sit-down lunch following the annual Memorial Day ceremony. Judging from the full tables throughout the event, the community continues to enjoy this benefit of Legion presence in the community.

May also saw the introduction of the long awaited electronic gaming machines in our social quarters. Now members have the option of playing traditional or electronic pull tab and raffle games whenever they visit the legion. Nothing warms the heart of a legionnaire like scoring a big jackpot on one of our new machines. We also introduced a new pull tab game this month: "Home of the Brave" with several handsome prizes ready to be won by our members and guests. With so many new offerings, if you haven't visited the American Legion Post 72 Social Quarters in a while, mark your calendar for a visit soon and see what all the fuss is about. You have our commitment that you will find a welcoming staff, great facilities, good food, and the comradeship of your friends, neighbors, and fellow service members. Your social quarters are ready to serve! We hope to see many more of you in your Social Quarters this summer! Come out and have some fun!
