## **The Commander's Corner**

I hope everyone is enjoying their summer so far. I would like to thank Post 247 Commander Brian Scannon for officiating at the installation ceremony of our Post 72 Officers and Board of Directors. The newly elected Officers and Directors are now in place and looking forward to an outstanding year.

The property development project is moving along at a nice pace. On 30 June, the subdivision of the land was signed and submitted to the Town of Warrenton. The infrastructure and easement surveys and documents should be submitted to the Town this month. As always, I will keep everyone updated as additional information is received.

As mentioned last month, the Post has joined with the Legion Riders to participate in the Town of Warrenton First Friday's again this year. The Post will have a booth set up on Main Street the 1st Friday of each month through October. This month's event, on 7 July, is focused on Veterans. There will be a special fanfare to include any Veteran who may be on Main Street. This is a great way to meet new and old friends and recruit new members to Post 72. Come up and join us for the festivities!

The Social Quarters has a few more tickets for the upcoming Cash Bash, on Saturday, 5 August, 2017. Only 300 tickets will be sold for dinner and beverages as well as chances of winning hundreds of dollars in cash and two firearms. Please see the Social Quarters for your tickets.

As I have mentioned in previous newsletters, we are still looking for your assistance to spot items that need some attention around the Post. Please email your items to the Building & Grounds Chairman, Dan at [2ndvicecommander@legionpost72.org](mailto:2ndvicecommander@legionpost72.org). We all need to pitch in to make our Post home a better place.

Please look at your calendar, and pick a couple Fridays during the next year that you can volunteer to help with the fantastic job the Social Quarters is doing. Work a Friday evening shift and get dinner on the Post. We can also use some help with the daily lunch service. My

heartfelt thanks to the Post 72 volunteers who put in their time to help out around the post. Their contributions ensure that our Post home remains open for everyone to enjoy.

The Post's All-You-Can-Eat breakfast in the Social Quarters continues to be a hit! Come in for breakfast every Sunday, from 09:00am until 12:00pm. Come on out and enjoy the excellent chow and great fellowship.

I would like to invite and encourage all Post 72 Legionnaire members to attend the upcoming monthly business meetings on 18 July, 2017. It is imperative that we conduct our regular business and address any ideas, suggestions or concerns to help our post and organization perform better.

Remember to support the other member groups of our Post Home; the Auxiliary, Sons of the American Legion, American Legion Riders, Junior Shooters and the Boy Scouts.

The next regular Legion business meeting will be on the third Tuesday, 18 July, 2017 at 19:30 hours, (7:30pm). The next Executive Committee meeting will be on the Thursday before the business meeting, 13 July, 2017 at 19:00 hours, (7:00pm).

Never forget that we are all members of the world's greatest brotherhood, we are American Veterans!

As your Commander, if there are any questions or suggestions to improve our Post, please contact me at [commander@legionpost72.org](mailto:commander@legionpost72.org). For God and Country

## Sons of the Legion News

Many thanks to all of the great help that we had for our May and June SAL breakfasts.

I attended the June 4<sup>th</sup>, 2017, Sixteenth District conference at Remington post 247. Also present from the Sons was our Adjutant, Scott Williams, and SAL Vice Commander, Victor Graulau.

One of the most important items covered for the day was the fact that the 16<sup>th</sup> district sent the greatest amount of boys to Boys state in history. This is a great achievement of the 16th district and getting our youth to get involved in positive events. The chairman of the boys state is Robert Yowell, a member at 247.

The American Legion and SAL members are asked to attend the annual convention will be July 13-16, 2017, at the Dulles Airport Hilton

## Legion Riders News

“Kids these days...man, they don’t appreciate nothing.” Try telling that to the hundreds of school kids from Fauquier County who braved the elements to stand in front of their schools and give the ALR convoy a hero’s welcome. This month, the Post 72 American Legion Riders had the rare opportunity to visit with school kids throughout the county while picking up literally thousands of kid-made thank you cards provided by schools across the county for our annual Thank You Card Project (TYCP). In its eight year of operations, The TYCP, led by Rider Comrade Sam Jesselson, has humbly collected and distributed more than 32,000 handmade cards for deployed and infirm veterans around the world. While card art ranged from tanks and guns to rainbows and unicorns, the sentiment inside was clear and unmistakable: America’s children reminding America’s veterans why they are serving and thanking them for a job well done.

This year’s card drive was particularly special for the riders as we were joined by two of our ALR brothers from Virginia Beach, two brothers from the Virginia Patriot Guard Riders, and most especially, a Gold Star mom who was a very welcome addition to our group and an important reminder for the schools we visited of the price of freedom. Travelling all over Fauquier County and facing weather ranging from cold spitting rain to heat in excess of 90 degrees, the riders came out in force to make the 2017 Thank You Card Campaign a resounding success. Not surprisingly, but sometimes overwhelming, was the love and support shown by hundreds of the county’s students and faculty. Without exception, we were treated to musical performance and words of encouragement and thanks as we visited with the schools and picked up our precious cargo of

cards. From the Star Spangled Banner to America the Beautiful, we enjoyed instrumental and vocal presentations from the band and choir departments and so many well wishes and shouts of USA...USA...that I think we all walked and rode a little taller after the stops.

The comrade of the hour of course is our own Rider Sam Jesselson whose tireless pursuit to grow this program into its current success was evident in each warm reception. Many speak of patriotism and service to the veteran community. Sam likes those words every day and we are extremely proud of the superb job he has done as chairman for this important program. We look forward to distributing many of these cards to veterans visiting the 2017 Rolling Thunder event. To see pictures of the school visits, please visit our website at [www.legionpost72.org/riders/tycp](http://www.legionpost72.org/riders/tycp).

It is fun and you get your dinner free for helping. Please let Paul or Donna know if you can help on a Friday night dinner.

We also have a very good lunch menu for all to enjoy. Also remember we can always use some help during our lunches as well as our Friday Night Dinners. We have a gun up for raffle from our your Social Quarters, so please take a chance and support us. We will continue to have the other games etc. at your S.Q. like the Hogs, please support them as much as you can, as they are one of the main fund raisers of the Post.
