The Commander's Corner

November is upon us and the start of the Holiday season as well. We have a new opportunity for the Post 72 family this year. The annual Veterans Day Ceremony will be held on Friday 11 November, 2016 on Hospital Hill, Warrenton, VA. As in previous years, we will gather at Fauquier Hospitals Bistro for coffee starting at 1000hrs. We will proceed to the Veterans Memorial on Hospital Hill for a ceremony. After the ceremony, we will have the 2016 dedication of new pavers into the Post 72 Veterans Plaza at the Post home at 1200hrs. Light refreshments being served by the Social Quarters directly after. We will send out an email broadcast with final arrangements.

On Saturday, 12 November, our sponsored Boy Scout troop, Troop 600, has invited the Post family to be guests at their annual "Turkey in the Hole" celebration. The Troop cooks several turkeys in a hole, luau style, and celebrates an early Thanksgiving dinner. If you would like to attend this event, which will be on Post 72 grounds, please contact Troop 600 Committee Chairman, Michelle Hermsdorf at sheljim450@msn.com.

Our new 2nd Vice Commander and Chairman of the Building & Grounds committee is geared up to receive any suggestions to "spiffy" up our Post home and grounds. If you have spotted something that needs some attention or a suggestion to improve our Post, please email it to Dan at 2ndvicecommander@legionpost72.org. Dan will be putting a list together and forming some work parties to tackle your observations & suggestions.

The property development project continues to move forward. The partnership agreement is expected back from the proposed operators in final revision this week for review, approval and signature by the Post 72 corporate Board of Directors. We are still on track for starting the project in the spring of 2017. This project will generate a much needed residual income to the Post for many years to come. My thanks to the Board of Directors for their thoughtful review and input to the partnership

agreement.

I would like to invite all Post 72 Legionnaire members in the Fauquier county area to attend our monthly business meetings whenever you can. It is imperative that we conduct our business as required and address any ideas, suggestions or concerns to help our post and organization perform better.

Our own Warrenton Rifles participated in the October Old Dominion Rifle League (ODJRL) match with outstanding results. Please see the Junior Shooting Sports article below for their performance. Please join me in congratulating our junior shooters on a job well done! I continue to be blown away by the dedication and skill of these young athletes.

My personal thanks to the Post 72 family volunteers who put in their valuable time to help out around the post. Their contributions ensure that our Post home remains open for everyone to enjoy. If you have some available time to help out with building & ground, or help in the Social Quarters, it would be greatly appreciated.

Our Al-You-Can-Eat breakfast in our Social Quarters continues to be a hit! Breakfast is every Sunday, from 09:00am until 12:00pm. The Legionnaires serve breakfast the first Sunday of each month. Our next breakfast will be held on October 02, 2015. Friday night Steak & Seafood has been a resounding success. Come on out and enjoy the excellent chow and great fellowship.

Remember to support the other groups of our Post Home, as well as the AUX, SAL, ALR, Junior Shooters and the Boy Scouts.

The next regular Legion business meeting will be on the third Tuesday, 15 November, 2016 at 19:30 hours, (7:30pm). The next Executive Committee meeting will be on the second Thursday, 10 October, 2015 at 19:00 hours, (7:00pm).

As your Commander, if there are any questions or suggestions to improve our Post, please contact me at commander@legionpost72.org.

Never forget that we are all members of the world's greatest brotherhood, we are American Veterans!

Adjutant's Corner

The Post recently received the new Department Constitution and Bylaws, along with new operating manuals. These are now posted for reference and I'm now reviewing them for updates to the Post's governance documents. Also for those interested: Over 300 resolutions were passed at the National Convention this year and are available in the Legion's Digital Archive, www.archive.legion.org.

There are a number of small business event and job fairs scheduled around the DC area that are geared for service members, veterans, and military spouses. Meet with hiring companies, attend seminars and get resume advice or tips on small business start-ups. For some fairs, you can upload your resume ahead of time to employers. Go online for details, registration info, lists of employers, etc. For fairs on military posts, non-military will need to pre-register for access to the base. Go to the Legion's link www.legion.org/careers for details. For God and Country

Thanks to all the volunteers who helped with the last SAL breakfast. Be sure to ask any SAL members about raffle tickets on our annual Safeway give away. The Drawing will be held December 18, 2016 at our last breakfast for the year.

This past weekend both Clint Bolt and I attended the Fall American Legion Conference. VA&R committeeman Fred Vacarella and I reported on various items having to do with updates on new clinics, and an updated wish list for the three Fisher houses in Virginia.

I also had the opportunity to give a trophy to our Department Chaplain, Robert Wilson who has missed the last few meeting due to health problems. Robert accepted a trophy from me and donation from others members to help offset his living expenses. He was very thankful for the well wishes and gifts.

Our next Squadron 72 meeting will be held at 7:00pm, November 1, 2016

Legion Riders News

The threat of rain and cool temperatures weren't enough to prevent our American Legion Riders from storming onto the Fauquier County Fairgrounds for the 6th Annual ALR Bike and Car Show this month. Joined by more than 100 hearty visitors who turned out to see classic and modern motorcycles, cars, and trucks, and enjoy a freshly grilled lunch of hamburgers and hot dogs. With a smaller crowd than expected, everyone's chances to win more than \$4,000 in door prizes and cash improved greatly and the excitement of the silent auction, raffle drawings every ten minutes, and the \$100 lottery apron added to the crowd's excitement as they braved the elements to support this year's designated charities, The Fisher House and Green Bean Coffee's Cup of Joe program.

This year offered something for everyone from every age. After a trip through the showground's to see a wide selection of

American auto manufacturing and shade tree mechanic-fueled hot rods, visitors relaxed in the comfort of the all-purpose building where they could enjoy lunch, shop at one of the show vendors, browse the auction prizes, or just relax and enjoy the day. Kids attending the event were given the opportunity to color and write personal messages to deployed troops through the ALR Thank You Card Program.

Friends and family are important to the ALR and we enjoyed a strong showing from several groups, most notably the Desert Knights Veteran Motorcycle Club, and our fellow Legion Riders from Post 10, Manassas, VA and Post 177, Fairfax, VA. At the end of the day, all of our visitors enjoyed a good show, many won valuable prizes, all while enabling the Post 72 ALR to support local charities and continue our Post legacy of supporting veterans past, present, and future. On the topic of future, it is important to note that we would not have had such a successful event had it not been for the incredible support provided by Troop 600 of the Boy Scouts of America and several members of our Warrenton Junior Rifle Team and their parents who braved the weather to help make the show a resounding success. Their efforts proved beyond a doubt that the future of Americanism viewed through our children is indeed bright.

Our breakfast in Oct. was not as busy as we would have liked. Our volunteer's come in every month and work very hard to make and serve breakfast please show your support to our Legion and Riders by coming in on the 27th of Nov. Remember all non-members can be signed in so bring a friend and share breakfast with us.

Our monthly meeting will be held on the 2nd of November, starting at 7pm. Come early for our spaghetti night. We need to decide where and when our Christmas Dinner is going to be scheduled, so be thinking about some dates, as it will be here before you know it.

The program achieves the BSA's objectives of developing character, citizenship, and personal fitness. Scouting helps boys grow, understand self-reliance and the importance of community spirit.

Recent Notable Activities/Events:
